

IMPORTANT NOTES

SET GOALS

We've found that whenever an organization is motivated with particular goals in mind, nothing is impossible to achieve. We've worked with all different types of organizations (big and small) and have found that the groups who are the most organized and are highly motivated have achieved the greatest amount of success.

AVAILABLE ITEMS

Our fund raising products are only available in the flavors listed below. Please remind your sellers to only take orders for products listed on the order form.

Gourmet Butter Toffee		X	X
Gourmet Strawberry Vanilla		X	X

DON'T STOP TAKING ORDERS

We usually recommend three weeks as a good time period to hold your sale, but you can sell year round and send in as many orders as you like. HR Poppin' Snacks has a very attractive minimum order, and we can place orders whenever we have enough to do so. Once people taste this product and can see how great the quality is, they will want to order more!

SPEEDY DELIVERY

Make sure all orders are clear and complete. When sending in payment, make out **one check** to HR Poppin' Snacks in the form of a school or organization check, cashier's check or money order. You can also send in an official school purchase order and send payment after your order is delivered. We strongly recommend using priority mail at the post office instead of just using regular mail if possible. The price for each is usually very close and priority mail is treated much better and always arrives within 2-3 business days.
